Hi Kim,

I was going to chat with David about this today and walked into a Shi# storm with the mine blowout...he's now going to Durango with the RA. How soon do you need an answer, can I get to you next week? Hope you're doing well! Thanks, Gina

Hi Gina!

I have been trying to encourage our Office of Emergency Management to attend the RRT meeting to give an update on the Sturgis Rally and other state planning efforts.

They wanted to know if EPA has any funding to pay for their expenses to attend the meeting? I know if the past that EPA paid for our travel but I don't know what your current funding situation allows.

Please let me know.
